The First Six Weeks: A Writing Guide for Third Grade Bilingual Class

Guide for Curriculum Unit 02.04.02
by Shirley Goldberg

This curriculum unit is designed for third grade bilingual students learning to write English, with the understanding that some of the students may not be literate in their first language. The plan is specifically for use during the first six to eight weeks of school and leads into narrative writing. It contains suggestions and possible lessons that can be adjusted to the levels of the students. I have based these lessons on the Higher Standards of the New Haven curriculum provided specifically for teachers of English as a Second Language and Bilingual Education.

(Recommended for Language Arts and ESL, grades 2-3.)
