Short Novels, Stories, and Poetry of the Latin Americas

Guide for Curriculum Unit 97.01.10
by Yolanda Trapp

As a nation, we need to learn the lesson my grandparents knew—that “language and literacy are the keys to a better life.”

A comprehensive program integrating short novels, stories and poetry of the Contemporary Latin Americas adapted to the interest and development of each child will provide teachers with tools to sustain student interest.

(Recommended for Language Arts and Social Studies, grades K-5)
