

“AN UNFINISHED REVOLUTION AT 250”

Historian Michael D. Hattem, author of *The Memory of '76: The Revolution in American History*, will discuss the unique role that the Revolution has had in American life and the longstanding tradition in American history of remembering the nation's founding as an “unfinished revolution.”

REGISTER HERE:

This event is part of NH250, an ongoing series of programming developed by New Haven Museum to complement “America 250.”

Michael D. Hattem
